## 05. HANDOVER ASSETS & ACCESS

The following assets and credentials have been provided and/or shared with the client upon project completion:

- Application / Website Access
- Administrative Login Credentials
- Database Access
- Source Code
- Deployment Configuration Files
- Technical Documentation
- Related Project Files & Media

## 06. MAINTENANCE & SUPPORT AGREEMENT

Upon signing this document, the project shall officially enter the Maintenance & Support Phase. The following terms shall apply during this phase:

- Any technical bugs, system errors, or operational issues directly related to the delivered system will be addressed by Clickmasters Digital Marketing Agency.
- Routine maintenance and support services shall be provided in accordance with the agreed maintenance terms.
- Requests involving additional functionalities, major modifications, redesigns, or scope enhancements beyond the originally approved project requirements may require a separate quotation, written approval, and dedicated development timeline.

## 07. CLIENT ACKNOWLEDGMENT & ACCEPTANCE

By signing this document, the client acknowledges and confirms that:

- The Restaurant Management System has been successfully delivered as per the agreed requirements.
- The delivered project meets the agreed project scope and requirements.
- The client has reviewed and accepted the current state of the system.
- The project is officially transferred from the active development phase to the Maintenance & Support Phase.
- Any future enhancements or additional features outside the original project scope will be treated as separate work requests and may be subject to additional costs.

## 08. AUTHORIZED SIGNATURES

Both parties confirm acceptance of the above terms and conditions by signing below:

|                                                                                                                                                                                                                                       |                                                                                                                                                                                                                    |
